To our friends and customers:

To do our part in slowing the spread of Covid-19 virus we have taken several steps internally to reduce the potential for transmission. As an extra precaution we are placing all basses that are ready to ship in their boxes and holding them in an isolated area for 1 week prior to shipping.

The safety of our employees and customers is our top concern.

Thank you all for being part of the Dingwall family. We're looking forward to getting through this struggle and hope that you and your loved ones are safe and healthy.

Best regards,

Sheldon Dingwall
